

THE LEARNERS VOICE

GCSE STUDENT VOICE

The Geography Department would like to know what you think about the WJEC Geography course and the way in which it is being delivered at Y Pant School.

First tell us about yourself:

Year 10

Year 11

Female

Male

Do you intend to continue your studies in the sixth form?

Yes

No

If yes, which subjects are you considering studying?

- 1.
- 2.
- 3.
- 4.

Now tell us about which parts of the course you have enjoyed the most by giving each unit a score out of 10 (10 is good).

	Score
Water	
Climate Change	
Living in an Active Zone	
Changing Populations	
Globalisation	
Development	
Tourism	

Next tell us about the quality of the teaching in the department. Tick the box you most agree with:

	Yes	Mostly	Sometimes	No
Do you learn new things in lessons?				
Are your lessons interesting?				
Do you enjoy lessons?				
Does your teacher help you if you are stuck?				
Do your friends help you if you are stuck?				
Do your lessons give you good quality revision notes?				
Does your homework help you learn new things?				
Are you given enough homework?				
Do you take responsibility for your own learning?				
Is your teacher fair?				

During which activities do you think you learn the most by giving each a score out of 10?
(10 is good)

	Score
Teacher explanation	
Making your own notes	
Copying text	
Worksheets	
Textbook activities	
Class question and answer	
DVDs with activities	
Groupwork – roleplay, discussion, presentations	
Paired work	
Research and projects	

Do you think you were given enough guidance for the two pieces of controlled assessment?
Your teacher will give you a more detailed evaluation sheet when you complete each piece of work but we would value any general comments you may have.

Your comment

Finally tell us 2 things you like about geography lessons and 2 things you don't like about geography lessons:

Things I like about geography lessons:

- 1.
- 2.

Things I don't like about geography lessons

- 1.
- 2.

Thank you for completing this questionnaire – your views will be taken into consideration when we plan our lessons in the future!

“Listening to the learner voice is about winning hearts and minds”
